Performance Anxiety

Dirk folded his hands in front of him and watched Kai pace. He'd seen him audition before; he always, always, got nervous before they started. Gamma Ray was his baby, so it figured he'd want the best.

The fact that nervous Kai was funny as hell? Bonus.

He stopped, chewed a fingernail.

"You've spoken to him, yeah?"

A nod, then an evil little light sparked in his eyes.

"What's he like in the sack?"

The raised eyebrow told Kai all he needed to know, and he laughed.

"Well alright then!"

Barring accidents, it looked like they had a new drummer.
